

Get involved in the Butterton Community Halloween Trail

Halloween 2020 might be a little different this year but we can still have lots of spooky fun!

Lets all join together to create our Butterton Community Pumpkin Trail. We have 60 pumpkins and tealights to give away for you to decorate and place in your window, driveway or wherever you fancy so we can see them over Halloween weekend.... (Friday and Saturday)..

We can then create a local trail (maps will be available) where we can see how many can be spotted.. Fun for young and young at heart too. There will be competitions with prizes – funniest pumpkin, most scary, most original... Feel free to dress up – you might even see the headless horseman.....

How do you get involved?

Check out the Butterton facebook page or contact Kim Kirby on 07816 840486 – we will arrange collection from The Black Lion Inn – Butterton or we can deliver to you (all covid safe)

If you do want to make a donation,- there is no obligation then all funds raised will go towards replacing the condemned village swings...more importantly lets raise a smile... and maybe the odd scream....
